

THE ⊕ T BEGINNING

A point wanted to explore

and stretched one way

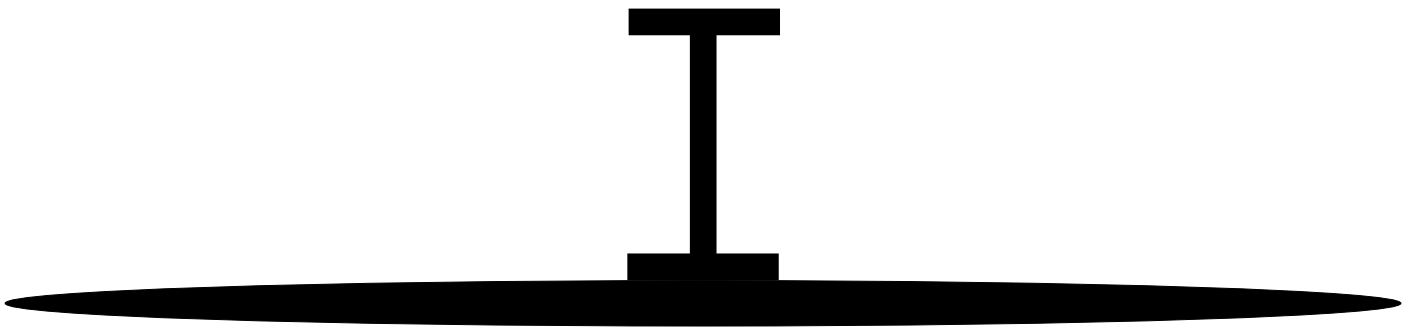

but found nothing

so it stretched
the opposite way

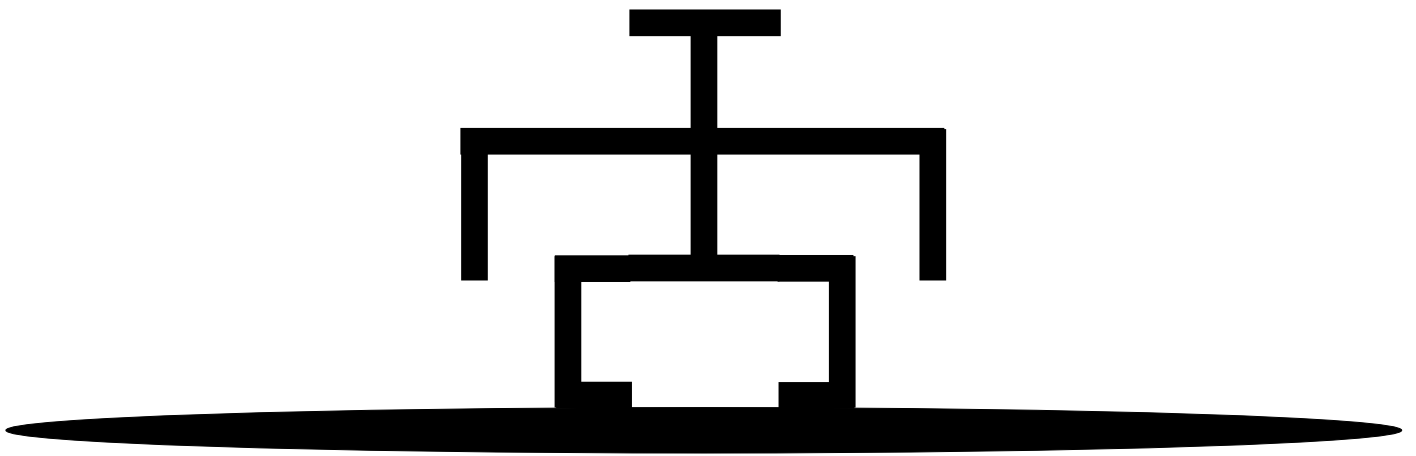

and still found nothing

so it made a body
named IL-LI

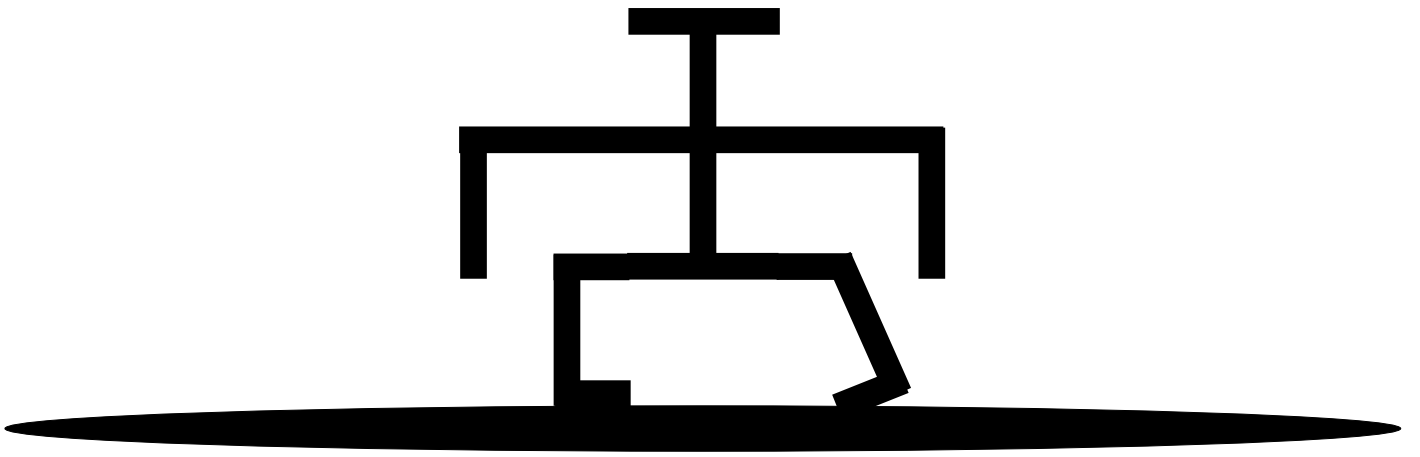

to look above the line

with legs to walk

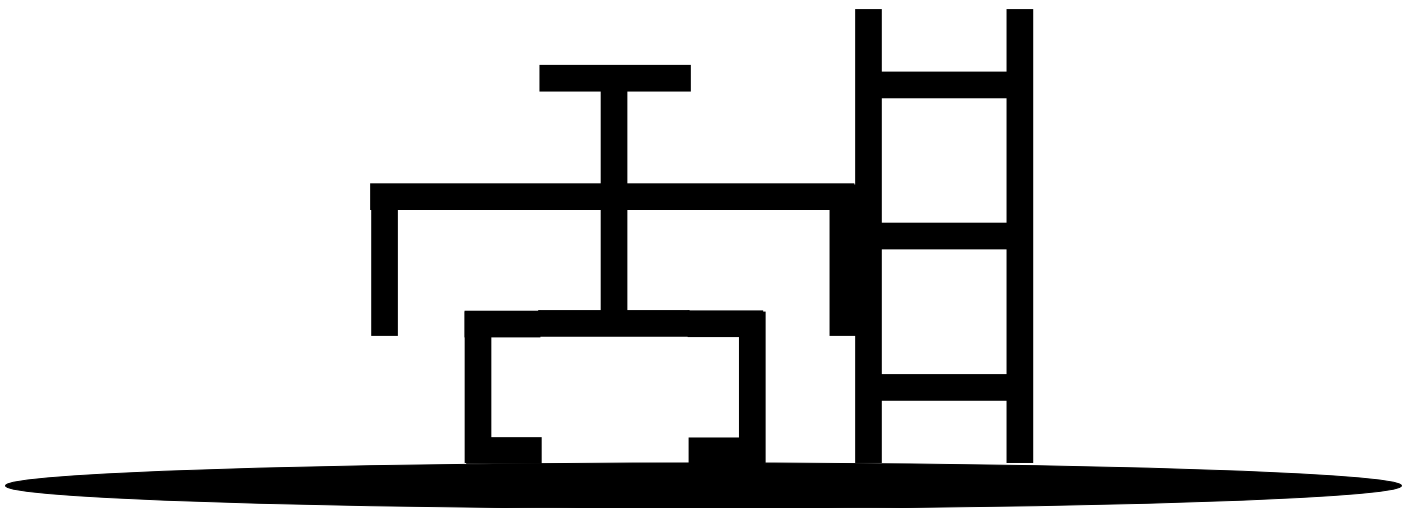

and arms to make things

and IL-LI walked far

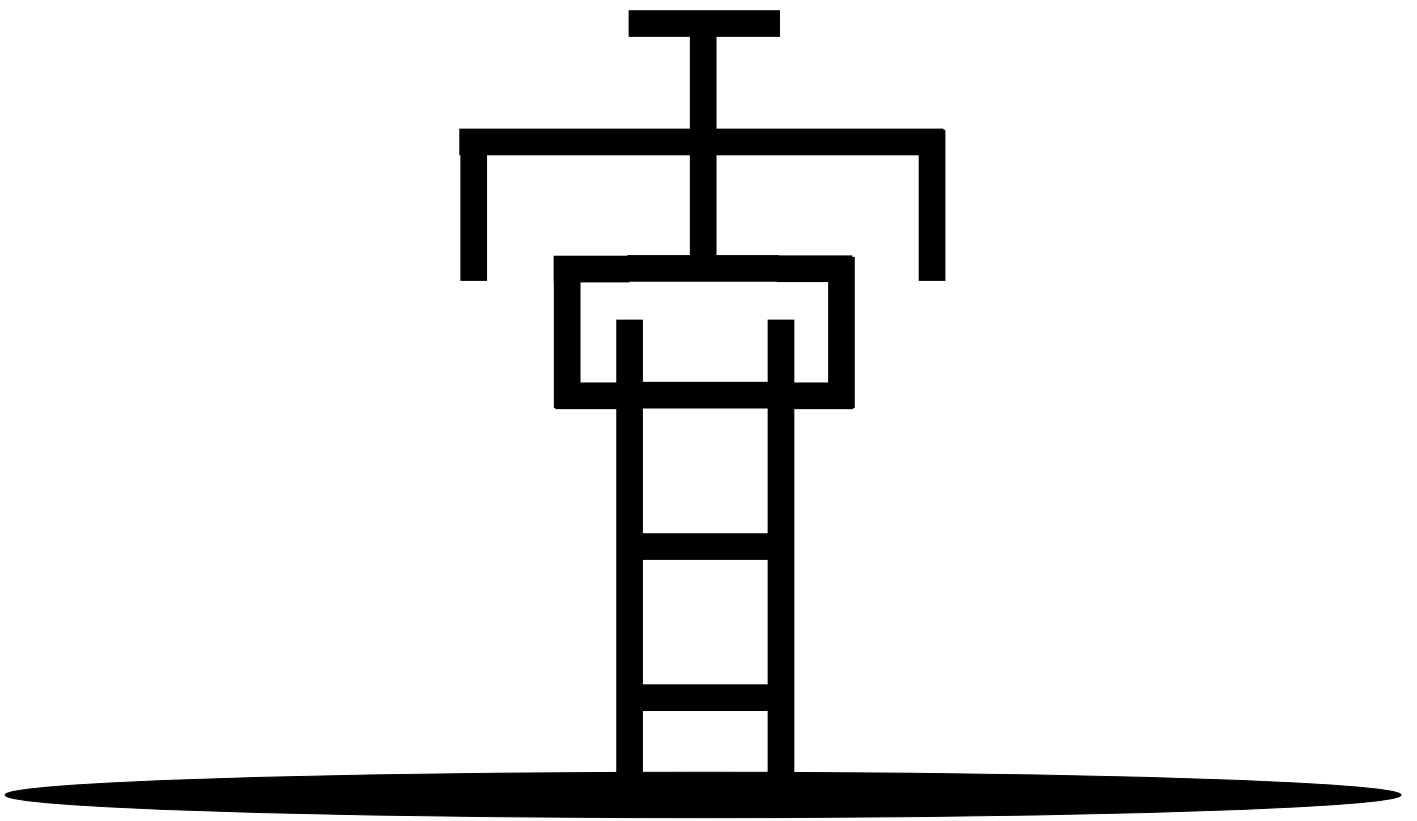

but found nothing

so IL-LI pulled on the line

and made a ladder

and climbed higher

but still found nothing

and IL-LI was lonely

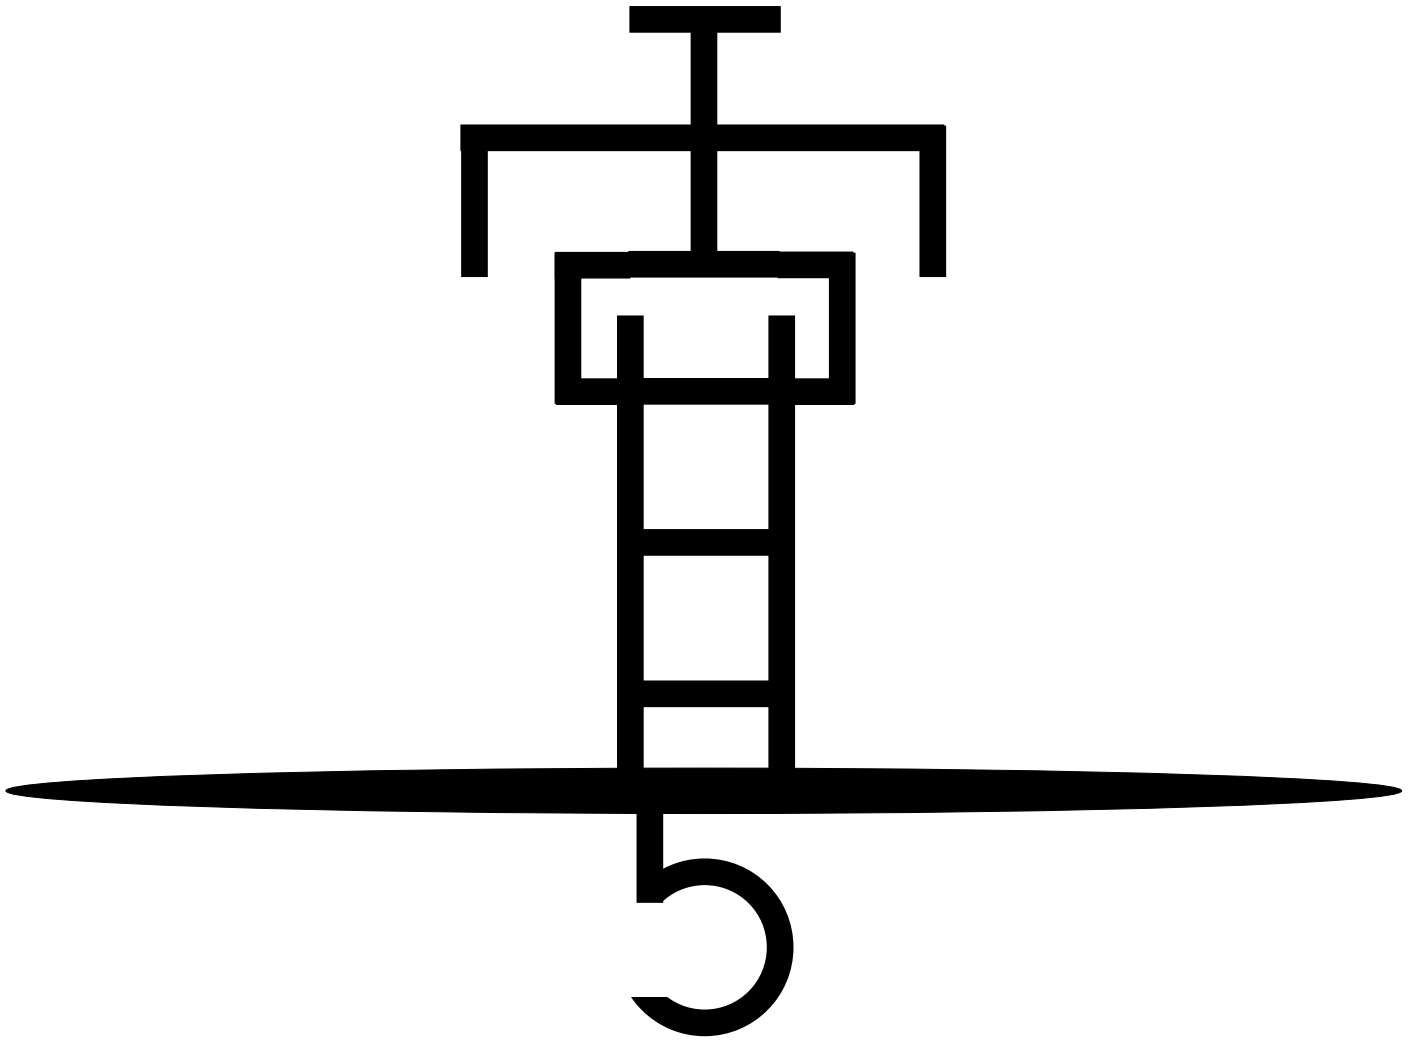

and made Baby IL

and raised Baby IL up

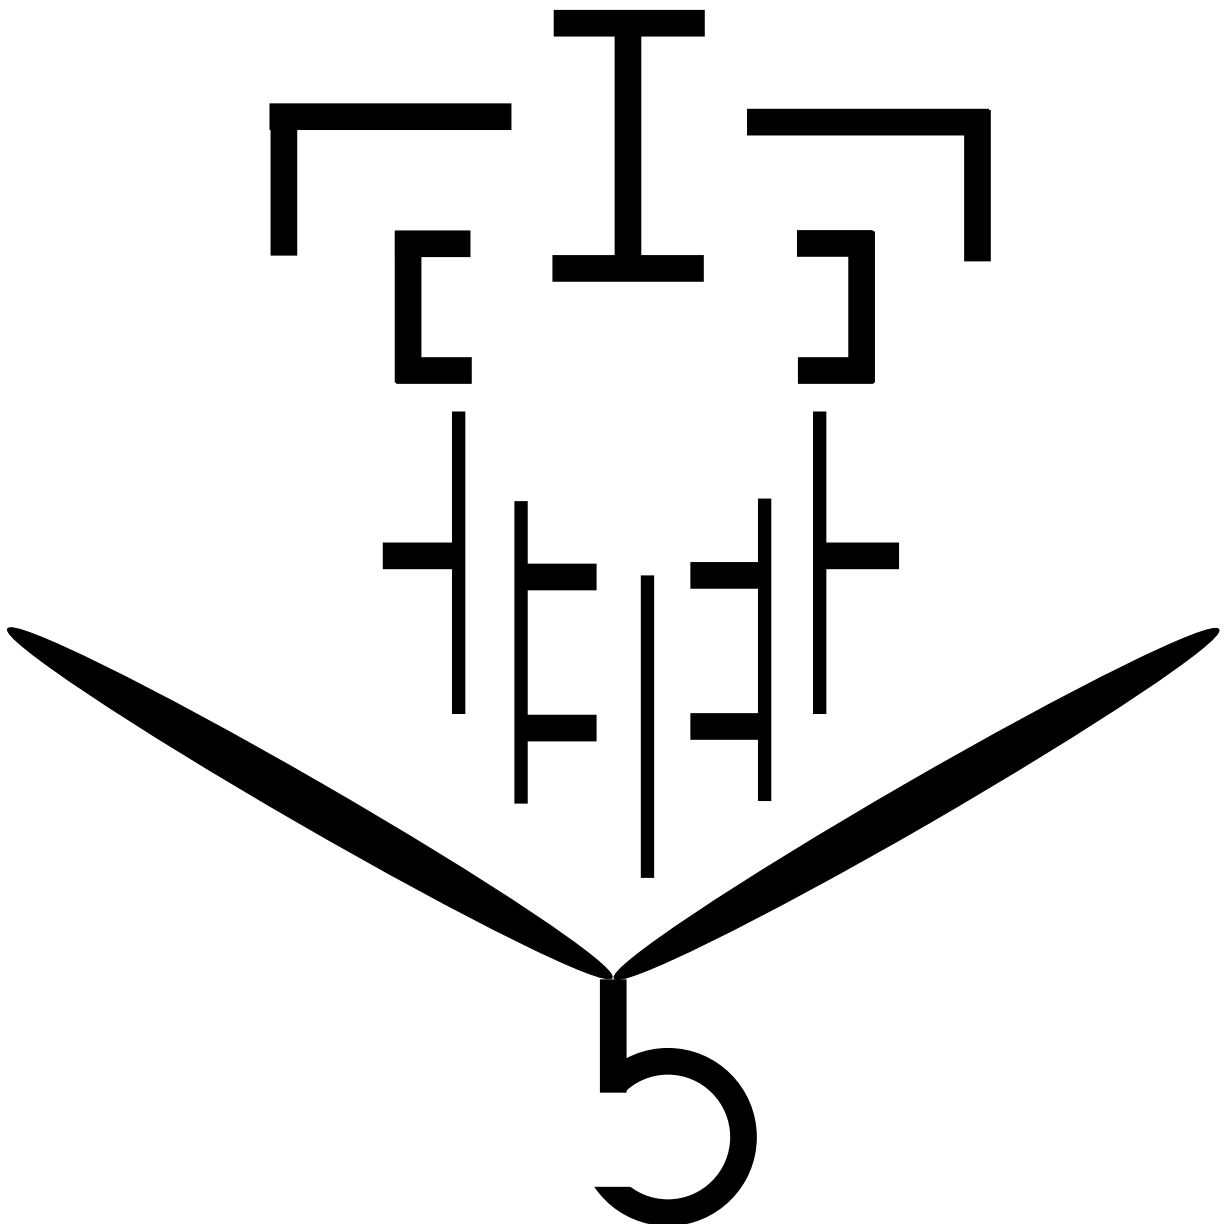

to see the nothingness

but IL-LI dropped Baby IL

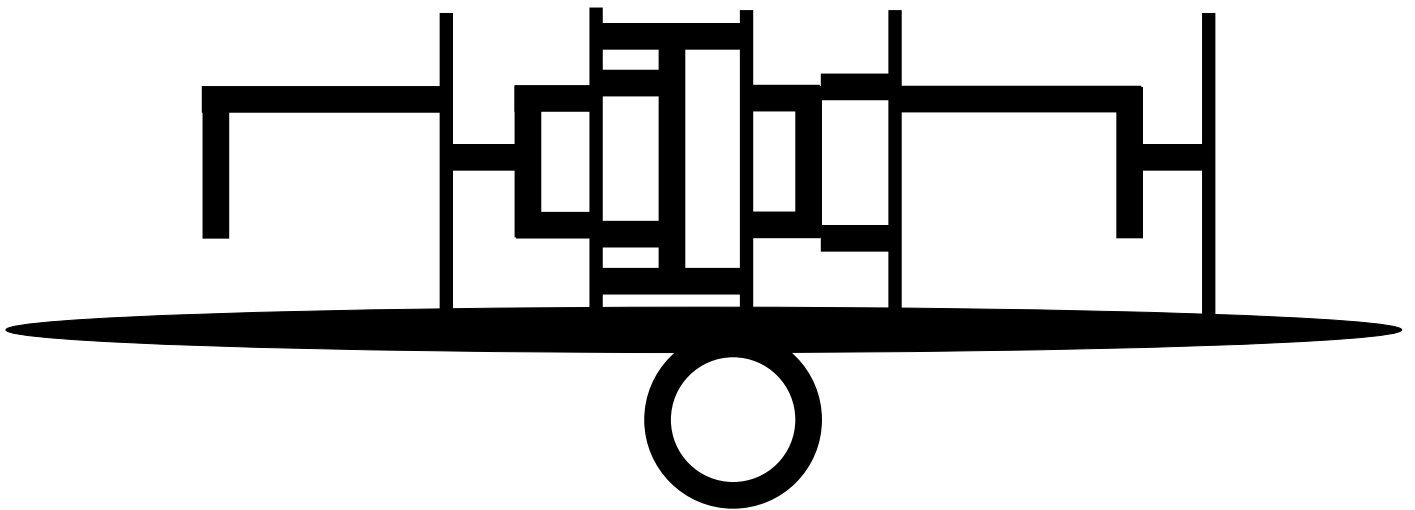

so Baby IL
grabbed the line

and IL-LI and
the ladder shattered

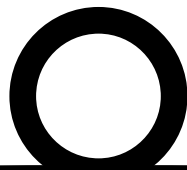

and became ten elders

who together
made the word

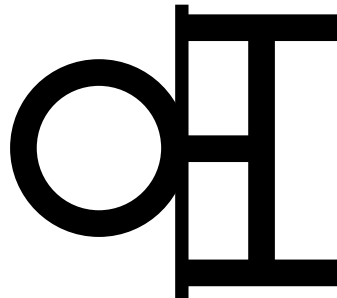

so that everyone
could play with Baby IL

and now Baby IL
silently waits

for the elders to
reassemble IL-LI

but they are not
in any hurry.

THE ☺ T BEGINNING

ELDERS ASSEMBLE!

Say the sounds of the Elder signs.

<u>DOL Elders (Q)</u>			<u>GON Elders (z)</u>		
⊥	Elder A	ǎ	⊥	Elder G	<i>g, j, or k</i>
⊥	Elder E	ě	⊥	Elder B	<i>b, p, f, or v</i>
⊥	Elder I	ǐ or ē	⊥ or ⊥	Elder L	<i>l or r</i>
⊥	Elder U	ǔ	⊥	Elder D	<i>d or t</i>
⊥	Elder O	ǒ	⊥	Elder N	<i>n or m</i>

○ Baby IL (no sound)

Baby IL and the Elders play by making ⊕T syllables. ⊕T syllables always have three parts: a GON Elder, a DOL Elder, and a GON Elder, in that order. Sometimes Baby IL silently stands in a GON Elder's place.

Basic ⊕T has 54 syllables. Each syllable has a LET, a SOUND, and a PIC. The first syllable of ⊕T is _AL. Its LET is ♡. Its SOUND is ○⊥. Its PIC is ○⊥. The second syllable of ⊕T is _UL. Its LET is T. Its SOUND is ○⊥. Its PIC is ○⊥. ♡ means 'love', and T means 'correct'. ♡T means 'teacher'. You can find all 54 basic ⊕T LETs, SOUNDS, and PICs on Father ♡'s chalkboard. This little song can help you to remember:

LET SOUND PIC. LET SOUND PIC.

LETs are easy. SOUNDS are easy. PICs are fun!
